

Trendy Menu Ideas

See how our globally sourced, imported fruits help you capitalize on current flavor trends, streamline high-traffic kitchen operations, and drive high-margin beverage and food sales.

FUSION & MANGO SALAD

A vibrant, refreshing blend that perfectly balances sweet, tropical notes with crisp textures.

The Advantage: Using Arctic Gardens Mango Chunks eliminates the time-consuming, slippery task of peeling and dicing fresh mangoes. Every chunk arrives perfectly ripe and beautifully cut, giving you an instantly premium plate appearance with zero fruit waste.

STRAWBERRY COLD FOAM MATCHA

A trendy, Instagram-worthy beverage that layers rich earthy matcha with a sweet, velvety fruit foam.

The Advantage: Arctic Gardens Whole Strawberries deliver a deeply intense, uniform fruit flavor and a naturally brilliant red hue. They blend effortlessly into consistent purees and syrups, allowing your staff to whip up premium, high-margin specialty beverages quickly and flawlessly every shift.

The Frozen Advantage: Built for Professional Kitchens

Fresh fruit imports come with unpredictable pricing, high waste, and intense labor. Our premium IQF (Individually Quick Frozen) fruits lock in peak-of-season, global flavor while transforming your back-of-house efficiency.

PREP-FREE EFFICIENCY

Eliminate manual labor entirely. Our premium fruits are washed, perfectly prepped, and ready to use straight out of the bag.

TOTAL CONSISTENCY

Never worry about under-ripe or over-ripe fruit again. Deliver a uniform flavor profile and a vibrant, premium look in every recipe, across every shift.

SIGNIFICANT LABOR SAVINGS

Minimize cleanup, reduce knife-hazard risks, and save valuable kitchen time by completely avoiding manual peeling, slicing, and dicing.

GLOBALLY SOURCED, LOCALLY TRUSTED:

By partnering with top-tier international growers, Nortera ensures that every fruit, mango, or blend meets the rigid quality, safety, and traceability standards Canadian operators demand.

VERSATILITY ACROSS THE MENU

Beverages & Smoothies:
Perfect for high-volume smoothie programs, signature cocktails, and mocktails.

Breakfast & Baking:
Elevate parfaits, oatmeal, pancakes, muffins, and pastries with consistent fruit sizing.

Sauces & Toppings:
Create vibrant coulis, compotes, and premium toppings for desserts or savory mains.
